## Important Case.

The Harrison, Ohio, Journal of recent date says, regarding the suit of Prof. H. C. Willette, of Paris: "Oral argument in Willette Administrator, vs. Gifford, et al. The Appellate Court of Indiana sitting at the Capital in Indianapolis, heard the oral argument in the case of Willette, Administrator, vs. Gifford et al George B. Goodhart, Esq., and Hon. Howard Ferris, who represented the appellant addressed the court. The case is a very important one involving interesting legal questions and a large amount of money. Mr. Willette's judgment with interest now exceeding \$40,000. According to the inventory led in the United States Court at Indianapolis, eighteen oilwells have been sunk on the section of land covered by the Willette mortgage. The case was taken under advisement and a decision may be expected within reasonable time. Mr. Willette was not present at the last hearing and is now at Venice, Italy, where we suppose he is enjoying pleasure rides in one of the magnificent gondolas, which ply the famous street canals of that city." The decision reached by the court in the above case was in favor of Mr. Willette.

## Bourbon Men Arrested.

Sheriff Daniel W. Scott of Fayette, on Saturday came to Bourbon county and arrested Slim Cook and Edward Cook, father and son respectively, and took them to Lexington to answer charges preferred against them by Edward Plunket, residing on the Maysville road between Lexington and Ellettsford. The charge against Ed Cook is assault while that against his father is abusive language.

The trouble between Plunket and the Cooks is alleged to have occurred at the John Robinson show in Lexington last Wednesday, where Plunket says Ed Cook came up behind him and without provocation struck him a stunning blow on the back of his head with brass knuckles, or a pistol or some other instrument which inflicted an ugly gash.

Later when he met father and son and accused young Cook of striking him, he says that the elder Cook became abusive and threatened him with vengeance unless he dropped the matter. In self-defense he then swore out the warrants which resulted in the arrest of the Cooks, who furnished bond and were released from custody pending their examining trial in court today in Lexington.

## Price Paid for Part of Pool.

State Senator W. A. Byron in speaking at the Burley Tobacco meeting at the Fleming county fair at Ewing Friday stated the tobacco sold by the society Wednesday averaged 19 cents. The executive committee of the society has announced that a sale was made on the day of a portion of the pooled crop of 1909, but have firmly refused to state what the price was. Therefore, the declaration of Senator Byron is the first announcement of the price received.

Neither President Clarence Lebus nor Vice President A. L. Ferguson, who were present, would confirm or deny the accuracy of Senator Byron's statement and in the absence of a denial and from the fact that Senator Byron is close in the councils of the society it was considered practically certain that his statement is based on official information and in the first announcement of the price paid by the Reynolds Company for the tobacco they bought.

Senator Byron predicted that the remainder of the 1909 pool would be sold for 25 cents within sixty days if the old poolers promptly signed the new pool of 1910.

## BASE BALL.

## FRIDAY.

The Hustlers shut the Bourbonites out twice Friday afternoon. The first game was won by a score of 1 to 0, and the second by a score of 3 to 0. The games only went seven innings each. Burden pitched both for the Hustlers and but four hits were made off him in both games.

He not only allowed McKernan's men but four hits but he struck out seven men, and few balls were hit to the outfield. Poole was touched up in both games for hits at critical moments.

The score in the fourth game was made in the fourth inning. Kircher led off with a single, Mullen sacrificed him to second. He went to third on Barney's out, scoring a moment after on Coleman's long drive.

The scores in the second game were made again in the fourth. Kircher was passed, Mullen hit, Barney sacrificed and Coleman hit for two bases, scoring both men. Coleman was advanced to third by passed ball, and scored on a squeeze play, Goosetree bunting.

Scores: Paris.....0 0 0 0 0 0 0 0-0 Winchester.....0 0 0 1 0 0 0 1-1 Batteries--Paris, Poole and Thau; Winchester, Burden and Kircher.

Hits--Paris 2; Winchester 4. Earned runs--Winchester 1. Two base hits--Burden 2; off Poole 4. Hit by pitcher--McKernan. Struck out--by Burden 5; by Poole 1. Double plays--Callahan, Mullen; Scott, Kuhlman. Time--1:20.

## SECOND GAME.

Paris.....0 0 0 0 0 0 0 0-0 Winchester.....0 0 0 3 0 0 0 3-3 Batteries--Paris, Poole and Thau; Winchester, Burden and Kircher. Errors--Winchester 2. Hits--Paris 2; Winchester 8. Earned runs--Winchester 1. Two base hits--Coleman, Kaiser. Passed balls--Thau 1. Base on balls--off Poole 1. Struck out by Burden 4; by Poole 1. Double plays--Callahan, Barney, Mullen; Goodman, Thau. Umpire--Bohannon. Time--1:10.

## SATURDAY.

Following their two consecutive victories over the Bourbonites in the double header Friday the Hustlers came to town Saturday afternoon and completed the third victory by shutting out the locals in a lively contest by a score of 2 to 0.

Toney, the mighty hurler and big league aspirant presided on the rubber for the visitors and had the locals completely at his mercy through the hour and forty-five minutes of entertainment, although the Bourbonites clogged the bases on two occasions the hit that would have counted the tallies was not forthcoming.

On the other hand Scheneberg, while he held the visitors to six safeties, came out two the worst of the argument, out the Hustlers squeezed over enough on the half dozen singles to carry away the game.

The first three sessions resulted in blanks for both sides but in the sixth Reed opened the session with a corking two-bagger to right. Kircher laid down a slow one to Scheneberg and on the out Reed advanced a peg. Mullins followed with a slow one down the third base line and Reed came home on the sacrifice.

In the eighth two hits and an error counted for them again Goosetree went out on an easy grounder to Kuhlman Yeager followed with a single to left. Scott fumbled Toney's grounder giving both runners a berth and Yeager scored on Callahan's single to right.

In the third inning the locals looked good for a run. They opened the session by passing Toney and Scheneberg bounded one over Toney's head. Kuhlman popped a little one to Toney and McKernan reached first on Callahan's fumble of an easy grounder. Kaiser fanned and Goodman forced McKernan at second.

Again in the sixth the locals took life when McKernan led off with a stinging drive to right territory. Kaiser followed with a safety to left. Goodman was called out on strikes and Scott fled to Yeager for the second out. Fearing Barnett would lay the sphere into safe territory Toney deliberately threw four bad ones and filled the bases. Chapman hit to Callahan for the third out.

In the eighth inning Hanley called Kaiser out on strikes which so incensed the center fielder that a bitter argument ensued which resulted in Kaiser being benched and fined \$5 for his back talk. Barnett was assessed a like sum for arguing with his umpire over the removal of Kaiser from the game. Score: Paris.....0 0 0 1 0 0 1 0-2 Winchester.....0 0 0 0 0 0 0 0-0 Batteries--Paris, Scheneberg and Thau; Winchester, Toney and Kircher.

Errors--Winchester 1; Paris 1. Hits--Paris 4; Winchester 6. Earned runs--Winchester 1. Two base hits--Coleman, Reed. Sacrifice hits--Callahan, Kircher, Mullins, Scott. Bases on balls--off Toney 2. Struck out--by Toney 9; by Scheneberg 6. Left on bases--Winchester 4; Paris 9. Attendance--400. Umpire--Hanley. Time--1:40.

## SUNDAY.

Sunday afternoon Paris and Richmond met at White Park and in a contest full of interest the locals came out the best by two runs while their opponents failed utterly to get a man around all four stations during the nine innings.

Winchel pitched true to his old form and held the Pioneers to four safe drives and only on one occasion were they able to get a man as far as second base and not a single Pioneer reached the third sack safely.

The contest was lively from the start and the first three sessions resulted in ciphers. Only one hit was made off of Allison in the three rounds and that came in the third when Chapman led off with a safe drive to center. He advanced to second on Thau's sacrifice where he saw the next two up perish.

The Bourbonites counted their only two tallies of the game in the fourth session. Schmidt opened the half with a slow one to Tilford and reached first safely when the Pioneer third-sacker

tumbled over in the mud. McKernan followed with a stinger to right and Schmidt went all the way to third on the hit. McKernan stole second and Goodman hit to Allison Schmidt was caught off third and was run down McKernan taking third and Goodman second. Scott drove the ball to center scoring both men, stole second and in the mix-up that followed made third. Barnett and Chapman both fanned.

In the sixth Huhn came up looking ugly and smacked the ball for two bases. He was run down between second and third for the first out when Allison hit to Kuhlman, and the Pioneer twirler was caught completing a double. In the same session Goodman drove the ball to the right field fence for two bases after two were down, and took third on a pass ball. Scott fled to Baird for the third out. Score: Paris.....0 0 0 2 0 0 0 0-2 Richmond.....0 0 0 0 0 0 0 0-0 Batteries--Paris, Winchel and Thau; Richmond, Allison and Thoss. Two base hits--Goodman, Huhn. Hits--Paris 5; Richmond 4. Hit by pitcher--Thoss and Bramblage. Struck out--by Winchel 1; by Allison 6. Left on bases--Paris 2; Richmond 1. Stolen bases--McKernan, Scott, 2. Passed ball--Thoss. Double play--Kuhlman, McKernan. Time--1:24. Umpire--Bohannon.

## MONDAY.

Paris lost the first game in the double header at Frankfort yesterday by a score of 1 to 0, but the result of the second game remains in doubt. Frankfort was leading by a score of 2 to 1 in the sixth inning. In the inning following Paris took the lead and had two men on bases with two in the contest, but Umpire Hanley refused to forfeit the game.

## Policy Paid in Full.

Notwithstanding his policy for \$2,500 in the Northwestern Mutual Life Insurance Company had elapsed more than three years ago for non-payment of premiums, Mr. Roy Clendennin, local agent of the company, Monday handed to Mrs. Jessie Harris, widow of the late E. L. Harris, a check for the full face value of her husband's policy.

Mr. Harris took out the policy in March 1905 and had paid three premiums. He was unable to carry the policy and let it lapse. He was unaware as was Mrs. Harris that the policy contained a clause that if for any reason the policy was not paid, the insurance for the full face value of the policy was extended automatically for a period of six years.

Mr. Harris was a prominent banker and met with a tragic death about ten days ago as a result of the accidental discharge of double barrel shotgun, and the fact of his having such an excellent policy as is issued by the Northwestern Mutual Life Insurance Company, of Milwaukee, Wis., came as this form of protection to his widow and son rarely illustrated in life insurance circles.

## Williams Purchased by Paris.

A deal was closed yesterday by the Paris club for the purchase of Pitcher Williams from the Millers. Williams had been purchased by Paris but there was some contention as to the legality of the sale, and Manager Kuhn contended that Williams belonged to Shelbyville. At a meeting of the board it was declared that Williams belonged to Shelbyville and he left for that city Sunday. By the terms of the deal consummated yesterday between Manager Kuhn and the management of the Paris Club Williams becomes a Bourbonite and will pitch the opening game with the Pioneers in this city tomorrow.

## Kaiser Fined and Suspended.

Outfielder Kaiser, who mixed things up with Umpire Hanley after the Paris-Winchester game here Saturday, after he had been put out of the game was fined \$25 by President Ussery and suspended for six days. He will be in the game again Friday.

## DEATHS.

Mr. John Graham Lyle, great grandson of former Governor Garrard, died Saturday afternoon at his home on Second street of tuberculosis aged 54 years.

Mr. Lyle was a son of the late Dr. John Lyle, and is survived by one brother, Attorney William Lyle, and one sister, Miss Annie Lyle. The funeral was held Monday afternoon at 4 o'clock at the grave in the Paris cemetery, the services being conducted by the Rev. F. J. Cheek of Danville. The pall bearers were W. W. Mitchell, Charles Lyle, John Clay, Harry O. Holt, T. Hart Talbot and Henry Clay.

## Private School.

Mrs. Lizzie Walker's private school will open Monday, September 5. You patronage solicited. Terms reasonable. Special attention given to music.

## Freshen Up.

Freshen up for fair week. Have some done now at my special prices. J. T. HINTON.

## Donations for the Fair Dinners.

The ladies of the Methodist church have secured the concession to serve meals at the fair grounds during the fair and donations are being solicited. The Methodist congregation recently suffered the loss of its church by fire and the ladies will serve meals on the fair grounds with a view of raising funds with which to assist in replacing the building. Town and country people should contribute liberally to this worthy cause and donations should be in plenty. Those who attended the fair last year and visited the dining room are acquainted with the sumptuousness of the meals served by the Methodist ladies and this year they will no doubt eclipse all their previous efforts.

## Buys Two Pitchers.

President Bacon notified us as we go to press that the Paris Club has purchased Pitcher Harold, of the Shelbyville Club, who has been doing phenomenal pitching of late, along with Pitcher Williams. They will both report here to-day.

## Shelbyville's Franchise Not Sold

Unless some other town takes up the matter of purchasing the franchise of the Shelbyville club the Millers will remain a member of the Blue Grass League for the remainder of this season at least.

Reports emanating from the cities of Mt. Sterling and Maysville to the effect that the franchise has been purchased by one city or the other seems to be without foundation as the matter is emphatically denied by President Ussery.

For several weeks it has been a well known fact that base ball promoters in Maysville have had an option on the Shelbyville franchise a few days before the transfer was announced in a dispatch from Maysville the option expired.

Mt. Sterling has had representatives in the field for the past several days but negotiation for the transfer of the club to that city have suddenly come to an end, and President Ussery Saturday announced that all deals for the purchase of the Shelbyville franchise were off.

## The Oldest Fair.

The Bourbon Fair is the oldest fair in the State. The sixty-fourth annual exhibition will be given on September 6-10, inclusive. It was better last year than ever and promises to excel in every respect this year. Exhibitors should write the Secretary at once for entry blanks.

## Howard Tipped for Chairmanship

The Louisville Herald says: "H. Clay Howard, of Bourbon county, is tipped for chairman of the Republican Campaign Congressional Committee, which will have full charge of the races for Congress in Kentucky and have control over the subcommittees appointed in the various districts."

"Although others have been mentioned, it is generally conceded that Mr. Howard will be named chairman. "J. Frank Taylor, of Louisville, J. Craig, of Covington, and H. Clay Howard, who compose the Republican State subcommittee, will meet at the Galt House September 1, in conference with Louisville Republicans when the State Campaign Committee composed of five men for the Congressional races, will be selected."

OF BEAUTIFUL

## Building Lots

—IN—

## Paris, Ky.

Having purchased the old McIntyre tract of land on Cypress street, we have extended Sixteenth street straight through the property and subdivided it into a number of beautiful building lots fronting on both

## Sixteenth and Cypress Streets.

These lots are within five blocks of the City School, with good pavements all the way and no railroad or street car tracks for the children to cross in going to school. They are one block from the street car line and two blocks from the junction of the

## F. &amp; C. and C. &amp; N. R. R.

where great improvements are now in progress. When these are completed the Round House, Master Mechanic's Office, Yard Master's Office, Telegraph Office, Repair Shops and tracks where freight trains are made up and break up will all be located in the new upper yards. Hence the majority of the railroad men in Paris will begin and end their day's work nearer to these than to any other building lost on the market.

Sewer, water mains, gas, electric lights and all other modern improvements are accessible in this new addition. More new homes are being built, more concrete pavements being laid, and general improvements are more rapid in this neighborhood than in any other part of the city. At present seven handsome residences are in course of construction in sight of these lots and more are in contemplation.

We have graded, straightened and widened Sixteenth street, laid

on both sides of Sixteenth street, set out shade trees, and, in short, spared no expense in our efforts to make these lots the most attractive home sites in Paris.

We will conduct an auction sale on the premises

Tuesday, Aug. 30th, 2 p. m.,

at which time everything offered will be sold without reserve or by-bid.

TERMS:—\$35 cash, balance in monthly payments of \$10 each, with deed executed when one third has been paid; or one-third cash balance in one and two years; or purchaser may pay all cash and stop interest.
